

Sonia Rivera

3/29/64 - 9/29/12

Mother, grandmother, sister and daughter, Sonia was unexpectedly taken from her family and friends. She left behind five children who have been brought together over this tragedy to grieve over their mothers' passing. Sonia was found brutally beaten with no clothing from the waist down and was possibly sexually assaulted in an alley on Washington Street in Hartford, Connecticut in September 2012.

Sonia was a donor whose organs successfully saved four lives. She was a good person who loved to laugh, smile, and show and give love to family and friends.

Family members are trying to raise money for a head stone for their fallen angel Sonia Rivera. Anyone who wishes to make a donation can contact Noemi Torres daughter of Sonia Rivera at 860-977-1697 or email hrrspecialist2010internetco@gmail.com
